COLOR/GRAIN/FINISH DISCLAMIER

Please understand that wood varies in color and characteristics and will exhibit subtle changes as it ages. For example, white painted face frames & doors could eventually have visible seam lines at the joint areas, and each cabinet wood species will darken or lighten with time. Furthermore, sunlight, smoke, household cleaners and other environmental conditions will also affect the color match of all the cabinetry over a period of time. Despite our best efforts, Mullet Cabinet or an authorized third party in performing any repair work under this *Limited Lifetime Warranty* any replaced components or parts may not match the existing finish, color and appearance of your existing cabinetry, and thus these conditions are excluded from this *Limited Liability Warranty*.

In no event, will Mullet Cabinet be liable to any customer or any third party for any indirect, incidental or consequential damages whatsoever, arising out of or relating to any breach of this *Limited Lifetime Warranty*. Even if Mullet Cabinet has been advised of the possibility of such damage or claim.
